

IUPUI

# ANNUAL DIVERSITY REPORT

2018

A MESSAGE FROM

VICE CHANCELLOR  
OF DIVERSITY,  
EQUITY & INCLUSION

KAREN DACE

The mission of the  
Division of Diversity,  
Equity and Inclusion  
is to educate, advocate,  
engage and empower the  
IUPUI community by  
cultivating partnerships  
and resources to create  
and sustain an  
environment that is  
inclusive, equitable and  
diverse.

“DIVERSITY:  
A THOUGHT.  
(NOT AN  
AFTERTHOUGHT)  
AN ACTION.  
NOT A REACTION).”

### ***Welcome to the 2018 IUPUI Diversity Report***

Each year a collaboration between the Division of Diversity, Equity & Inclusion and Institutional Research and Decision Support results in a report that offers a transparent look at where our institution is, progress made and the work that remains to be done as we strive to live out our commitment to equity and inclusion.

Many of you may be aware that in 2017, for the sixth consecutive year, IUPUI received the prestigious Higher Education Excellence in Diversity Award from Insight Into Diversity, a 40+ year old publication dedicated to diversity in higher education. While we are very proud to be among a handful of institutions to achieve this honor for six years, receiving the award motivates us to work that much harder to create initiatives that reduce educational disparities, improve our ability to attract, hire and promote a more diverse professorate and graduate students well-prepared to enter an increasingly complex world.

Research tells us that the greater the diversity of an institution, the higher the level of employee satisfaction, better classroom outcomes, greater campus engagement and students who leave with degrees and experiences that have prepared them to work across multiple differences. University graduates with the ability to work across cultures--skills gained through engaging classmates, instructors and ways of knowing and being that are different from their own cultural background and experience—are highly competitive in the workforce. In short, efforts to increase the diversity of our campus will only benefit the entire IUPUI community.

As you look through the pages of this report, I hope you will find an area to engage. Everyone has something to contribute as we work toward the strategic goal to create an inclusive campus climate.

# Recruitment of a Diverse Student Population

## Comparison of IUPUI Beginning Full-time Students to SAT Takers by Race / Ethnicity - 2017

All data collected from College Board. Region includes the Greater Indianapolis metropolitan area containing all of Marion County and portions of Boone, Brown, Hamilton, Hancock, Hendricks, Johnson, Marion, Morgan, and Shelby. IUPUI data excludes Columbus to appropriately compare to region. Black/African American students are underrepresented at IUPUI when compared to the percentage of SAT takers in the region.

<sup>1</sup>Includes IUPUC, Calculated for first-time, full time undergraduate beginners seeking a bachelor's degree. <sup>2</sup>Low enrollment can cause percentages to change dramatically; please consider this when examining trends

- Although still lower than their fellow underrepresented students, six-year graduation rates of students who identify as Black/African American rose steadily from 2006 to 2008 by 11%. A low in 2009 was followed by a 7% increase in 2010.
- Within the four-year graduation rate, Black/African American students have doubled the rate from 7% in 2007 to 14% in 2012, however much work is needed in this area.

- The percentage of students awarded a doctoral degree who identify as underrepresented has doubled over the past five years.
- In the past year, the proportion of white doctoral degree receiving students dropped by 5%.
- The percentage of doctoral degree recipients whose race is unknown has decreased dramatically since 2010 which could be a factor in the two previous increases mentioned.

# Multicultural Highlights

- **Task Forces.** Creation of a 20 member **DACA** committee made up of faculty, staff, and students committed to providing support and resources to DACA and undocumented persons at IUPUI.
- **Heritage Month Celebrations.** IUPUI coordinates events associated with six cultural heritage months, including celebrations at four cultural dinners. Led by multiple student organizations (Black Student Union, Latino Student Association, Asian Student Association, and LGBTQ Student Alliance), the Cultural Dinners serve to educate and celebrate cultural heritage. In 2017, speakers included Opal Tometi, Rosa Clemente, Steve Hosik Moon, and Cleve Jones.
- **Programming.** The Multicultural Center sponsored 74 programs and partnered with multiple campus and community organizations. Social Justice Education implemented the Tunnel of Oppression, taking faculty, staff, and students through an interactive experience regarding gentrification, environmental racism, sexism and misogyny, mental disabilities, Islamophobia, transphobia, black queer concerns, and Latinx immigration. 1,575 individuals experienced Tunnel in 2017.

The Multicultural Center also partners with various entities to bring plays such as David Lamb's "Platanos, Collard Greens and Callaloo" and Rohina Malik's "Unveiled" telling the story of five Muslim women who wear the hijab, as well as meet and greets featuring Noor Tagouri, Wes Moore, Beverly Bonds, and Rickey Smiley.

Offered 33 ally trainings (22 safe zone 101 & 11 Trans 101) with a total of 530 participants. Also facilitated 17 in-class presentations across campus. Community groups offered increased from 3 to 6 which includes Gender Spectrum, Shades of Pride, She/Her/Hers, Manversations, Aces, and Middle Sexualities. The LGBTQ+ Center at IUPUI increased number of visits to the center from an average of 111 weekly visits in the Fall semester of 2016 to 154 visits in Fall 2017.

- **Student Organizations.** Multiple culturally based student organizations provide support and multiple programming opportunities for students on campus including the Asian Student Union's Asian Speaker Series,
- **Mentoring.** Campus Center and Student Experience partners with the Office for to administer the Advancing Women Mentoring Program partnering students with faculty/staff mentors. The Next Gen 2.0 program offers mentoring for underrepresented faculty and staff on campus.
- **Multicultural Center Open House.** As a way of introducing incoming and returning students, this event provides an opportunity to learn about the services offered in the center and get to know the staff. By collaborating with various campus partners, we also provide an opportunity for students to learn about what other offices and departments on campus have to offer. We offer food, activities, and giveaways as a way of encouraging students to stop by. This past year we had 88+ students who came by and visited the information tables that were set up.
